OFFICE HOURS

AVAILABLE BY APPOINTMENT  
(or Walk-In)

MAY BE AT LUNCH (IN OFFICE PART OF TIME)

IN CLASS OR LAB

**I will attempt to post exceptions to the above schedule on my web site (dmmsw.org) or announce deviations in class. Also note that although a two-hour block is designated for office hours, some of that time is likely to be used by me for setting up materials for my 11:00 a.m. class. If I'm not in my office, look for me in or near room 168. There may be some instances when I have a special meeting during my regularly scheduled office hours. If so, I will add an additional time slot for Official Office Hours on that date.**

**Usually, unless I'm especially stressed on time you can walk into my office almost anytime I'm there. If my door is open, I should be available, or at least nearby.**
